Good morning Danny! I was wondering if you had a chance to look at the backlog this morning?

**Danny Phillips** Today at 12:26 PM

Hey Alex. I'm out for lunch. TTYL!

Also, I'm currently working on the deployment for our Spring Boot microservice.

If you need more information, I'll be back soon to discuss.

**Alexander Gomez** Today at 2:56 PM

Hey! Did you get a chance to check our backlog today? We have a lot of tickets that are left open...

Hey Alex, I spent a few hours extra cleaning up our codebase for our Angular project.

I discovered a lot of bugs & issues and raised a few tickets that I can take care of tomorrow.
